

# 4th European Trusted Infrastructures Summer School

## Call for Papers

ETISS 2009 will provide the opportunity to participating students to present their original research in a special session. We therefore solicit submission of papers on theory, advanced development and applications of trusted computing, trustworthy systems and general trust issues in modern computing systems. Papers should be submitted in PDF until July 15<sup>th</sup> to [etiss@iaik.tugraz.at](mailto:etiss@iaik.tugraz.at). Papers will be reviewed by the ETISS steering committee and selected experts.

Selected papers will be considered for publication in a special issue of J.UCS, the *Journal of Universal Computer Science*. The best three papers will also be awarded prizes!

### Important dates:

Paper submission due: August 16<sup>th</sup>, 2009
